The Honorable Tim Scott
United States Senate
Washington, D.C. 20510

Dear Senator Scott,

The Major Cities Chiefs Association (MCCA) would like to express our gratitude to you and your team for your recent efforts related to police reform. Your office should be commended for the immense amount of time and effort dedicated to good faith, bipartisan negotiations over the past two years. Thank you for treating the MCCA as a valued partner, allowing us to provide feedback, and taking our Association's position into account as your office developed and debated reform proposals. The MCCA also appreciated the near-constant communication between your staff and MCCA staff, as well as the time you personally took to speak with MCCA leadership throughout the negotiations.

While it is disappointing that the negotiations did not result in bipartisan legislation, the MCCA will continue to advocate for meaningful change and increased transparency and accountability. We remain committed to advancing comprehensive reform that is realistic, funded, and thoughtful.

Thank you again for your leadership. The MCCA looks forward to continuing to work with you, your colleagues on both sides of the aisle, and all other stakeholders to achieve our shared goals of upholding public safety and building trust and legitimacy between law enforcement and those we have sworn to serve and protect.

Sincerely,

Chief Art Acevedo
