

# MAJOR CITIES CHIEFS ASSOCIATION

**FOR IMMEDIATE RELEASE**

## **MCCA RESPONSE TO NEW AMAZON RING POLICY**

The MCCA is disappointed by Amazon's business decision to remove a Ring customer's ability to seamlessly respond to and assist local law enforcement requests for information. Make no mistake, this decision will hamper local law enforcement's ability to quickly address community needs whether it be obtaining essential leads to address violent crime, including gun violence, or tracking down porch pirates. We hope Amazon will reconsider their approach to public safety.
